Dear Dr. Miller:

We are truly humbled and honored by the tremendous support we received for the St. Francis Home & School fundraising gala held last February. Because of the wonderful donations from such generous and caring people like you, we were able to raise more than \$122,000 that will be used to facilitate the education of our children.

I realize we have already thanked you for your donation to last year's auction, however, it's important for you to know what a huge difference you have made to our school...we all feel very blessed to have people like you in our community.

Plans are underway for the third annual St. Francis Gala, "*That's Amore!*" which will be held Saturday, February 14, 2009. That might seem like a long time from now, but the snow will be flying before we know it and we want to get a head start in our preparations. We are expecting a sell-out crowd of 500 people again this year and the "buzz" has already begun.

Because of your generous support last year we would be most grateful if you would consider donating an item, service or gift certificate for our live and silent auction. If you are able to make a contribution, we will be sure you and/or your business receives printed recognition in the program, as well as your name on our "List of Donors" banner. Also, since your donation is tax deductible, we will supply you with the proper documentation for your records.

For your convenience, I have included a Gift Agreement form to facilitate your donation. You can fill it out and contact us at [t.jameson@mchsi.com](mailto:t.jameson@mchsi.com) or call us at 515.440.2260. Once we hear from you we will then arrange for someone to pick up your donation. Please feel free to contact us directly if you have any questions. Through your continued support and generosity, we are confident the 2009 Gala will be a success.

Thank you and God bless.
