

## TRANSLATION OF LETTER

Thank you for everything that you gave us. I am very grateful to all of you. I believe that this was the most beautiful and happiest Christmas we have ever had! If only for a moment, we forgot about all the hard times we have experienced as of late. I am so grateful to all of you, because I saw so much joy in my children and to me, my greatest pleasure comes from seeing my children happy.

You all provided us with so much happiness. We thought that we were going to have a sad Christmas, but you all made us very happy. For this, thank you very much.
